## Persistent Coughs

A cough which seems to hang on in spite of all the remedies which you have applied certainly needs energetic and sensible treatment. For twenty-five years that standard preparation of cod-liver oil,

### SCOTT'S EMULSION

has proved its effectiveness in curing the trying affections of the throat and lungs, and this is the reason why: the cod-liver oil, partially digested, strengthens and vitalizes the whole system; the hypophosphites act as a tonic to the mind and nerves, and the glycerine soothes and heals the irritation. Can you think of any combination so effective as this?

See you get SCOTT'S Emulsion. See that the name and fish are on the wrapper. Sold in 50c. and \$1.00, all druggists. SCOTT & BOWNE, Chemists, New York

#### CASTORIA.

#### Congregational Bazaar.

For several years past the Congregational ladies have made it a feature of the holiday season to hold a bazaar in the church parlors, and to serve a supper each night in connection. This year will be no exception, and Tuesday and Wednesday, Dec. 14 and 15, are the dates decided upon. Many new features will be introduced this year and the occasion promises to be a greater success than any previous season. Fancy and domestic articles and linen work have been prepared and the booths will be made more attractive than ever. Tuesday evening an individual chicken pie supper will be the program of the dining rooms, and Wednesday evening a good substantial feast, such as the Congregational ladies are noted for, will be served. Admission to the bazaar is free and every one will be welcomed by the ladies.

Hives are not dangerous to life, but they are a prolific breeder of misery and profligacy. Doan's Ointment gives instant relief, even in the worst cases of this and other exasperating diseases of the skin.

#### Probate Court.

Final accounts rendered and allowed as follows: That of H. A. Spaulding executor of the estate of Mary C. McNamara, deceased, and C. A. Huntley, administrator of the estate of Mary Myers, deceased.

Elvira Dibeau, a minor, nominated her mother, Mrs. Minnie White, for her guardian. The appointment was made and guardian qualified by filing bond for \$100.

Otto Kreil, of Vernon, was appointed administrator of the estate of Benjamin P. Warner, deceased. Frank Westcott and Frank Goss, appraisers. The matter of appointment of commissioners on claims was deferred till the 13th day of Dec.

Attorney Walbridge, of St. Johns, appeared for Mrs. Julia Rust, of Rock Island, Texas, and Attorney Chandler for Mrs. Henry W. Randolph, of Vernon, daughters of deceased.

Mrs. Sarah Bartlett, of Pontiac, Mich., was appointed guardian of Mrs. Eliza Sumner, a mentally incompetent person, of Middlebury township. The proceedings are for the purpose of procuring a pension as widow of Harvey C. Sumner, deceased.

M. C. Campbell and S. B. Southworth, were named as appraisers.

In the matter of the estate of Jennie Colby, deceased, Probate Judge Bush has made a formal order that disposal of the attempt to set aside the disavowal of certain paragraphs of the will, so far as the probate court is concerned.

The order recites that Mary E. Haskins, by her attorney, John T. McCurdy, filed a petition setting forth that heretofore, Jan. 6, '91, the court made an order disallowing claims three, four and five of the will of Jennie Colby, deceased, of the township of Perry, that the order was based on a certain stipulation purporting to be signed by all the heirs, legatees, and devisees, while in truth Mary E. Haskins, although her name appears signed by H. H. Pulver, her attorney, claimed never to have authorized the same.

A hearing was heard on the matter and the formal order of Judge Bush is: "Whether such stipulation was true or false, referred to by said petition, this court is not at this time called upon to determine, for the reason that under the law of this state a formal order having been once made and entered by a probate court, cannot be reversed, revoked or modified by such court."

#### In Heart Disease it Works Like Magic.

"For years my greatest enemy was organic heart disease. From uneasiness and palpitation it developed into abnormal action, thumping, fluttering and choking sensations. Dr. Agnew's Cure for the Heart gave instant relief, and the bad symptoms have entirely disappeared. It is a wonder-worker, for my case was chronic."—Rev. L. S. Dana, Pittsburg, Pa.—37. Sold by L. M. Watson and Parkill & Son.

#### A Library In Itself.

Few people are able to buy as many books as they would like, yet it is possible without them to keep in touch with all the leaders of literature, as well as to follow the world's progress in every department of science and industry. The Youth's Companion already provides the means for more than half a million households—at an expense to each of \$1.75 a year. Every issue of The Companion gives as much reading matter as a 12mo book of 175 pages, and The Companion comes every week. The quality of its contents is shown by the announcement for 1898, which promises contributions next year from Rt. Hon. W. E. Gladstone, Rudyard Kipling, Speaker Reed, Capt. A. T. Mahan, Mary E. Wilkins, W. D. Howells, Lieutenant Peary, the Marquis of Dufferin, Senator Hoar, Justin McCarthy, and more than two hundred other eminent men and women.

All new subscribers for 1898 will receive The Companion's gold-embossed calendar, beautifully printed in twelve colors, and the paper will also be sent free from the time the subscription is received until January, 1898, and then for a full year to January, 1899. A handsome illustrated prospectus of the volume for 1898 will be sent to any one addressing

#### For Principle First and Last.

There are undoubtedly times and seasons in New York City when the republican voter and the republican newspaper is sadly puzzled as to duty. The issues of local politics in that city are intricate and baffling; and every campaign in recent years has manufactured a fresh crop of independent voters, out of the raw material of previously thick-and-thin supporters of party machines.

#### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

#### Deafness Cannot be Cured

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
